**Received:** 2017-04-27T13:13:46-04:00

**Travel Publications (UT/CO)-** Freelance Travel Writer, Mike Holland, requested information regarding Bears Ears National Monument and has requested an interview several times now for a story regarding Bears Ears National Monument. UT PA responded with an apology and that BLM is not granting interviews at this time. UT PA provided information on background regarding available maps and visitor information on BLM's website, the 4/26/17 DOI press release regarding the president's order on monument review, and a press release from Navajo Nation regarding the Bears Ears Commission.
